Through a transfer that has just
been effected, the Department of Ed-
ucation has become the possessor of
the Mehrtens property, on which the
Agricultural College now stands,
from Cecil Brown, the owner. There
are approximately 30,200 square feet
of land in this tract, and the ap-
praised value of it is \$4,737.50. The
Government will give Mr. Brown, in
exchange, land of an equal appraised
value. The land adjoins the new
High School site.

MRS. DREIER STARTS

(Continued from Page 1)
consisting of shares in August Dreier,
Limited, to the approximate value of
\$800,000. The complaint also states
that the purported deed of trust was
not recorded in the Hawaiian Reg-
istry of Conveyances until the 19th
day of May, 1908, after the death of
the grantor, August Dreier, therein
named. Again it is stated that im-
mediately after the execution of the
trust deed by August Dreier, he ex-
ecuted a certain document purporting
to be his last will and testament.

And, by virtue of Mrs. Dreier's dower
right, being entitled to one-third
part in all land owned by her late hus-
band, and also to one-third of all his
movable effects, she is therefore en-
titled to one-third absolute interest
in the shares of stock purported to be
conveyed under the deed of trust to
Cecil Brown, as trustee. The com-
plaint alleges that Emma Dreier has
demanded from Cecil Brown, trustee,
and Cecil Brown and F. A. Schaefer,
executors of the will, her dower in the
shares of stock, but she has been re-
fused by them, leaving her without
other means than her dower under the
will.

Mrs. Emma Dreier therefore,
through her attorney, M. P. Prosser,
after giving numerous other reasons,
prays that the purported deed of trust
be declared null and void.

The papers were served on Cecil
Brown this morning.

THE MEXICAN and the Arizonan,
of the American-Hawaiian line, are
expected to arrive at any moment, the
former from San Francisco and the
latter from Seattle. They both bring
large freight for this port consigned
to Hackfeld & Company.
